

PUPIL PREMIUM PLUS- EXTRA FUNDING

From April this year schools will receive extra funding called Pupil Premium Plus for Children in care and for any children who have been adopted from care or have left care and are the subject of a Special Guardianship Order or Residence Order.

To be credited with the funding for adopted children, and those who are the subject of a Special Guardianship Order (SGO) and Residence Order (RO), parents and guardians will need to inform the school about their child's circumstances and provide supporting evidence, for example the Adoption (Court) Order, in time for the school to record the child's status on the School Census (**completed by schools on 16 January 2014**). Children who are looked after by the local authority will attract the funding automatically.

If you feel that your circumstances meet the criteria outlined above would you please inform the school by contacting Liz Hughes at Kings Langley School on 01923 271731 or e mail hughese05@kingslangley.herts.sch.uk with your contact number and convenient time for a return phone call if you would prefer this.
