Dear Parents/Guardians

Re: Activities Week - Monday 10th July - Friday 14th July 2017 - Year 8

Due to the success of our previous activities weeks, we are looking to run it again this year during the penultimate week of the summer term in order for pupils to further increase their opportunities of participating in Outdoor Education.

For year 8 there is an opportunity to visit the Pioneer Centre in Shropshire between Monday 10th July and Wednesday 12th July 2017. Where they will have the opportunity to participate in activities such as Abseiling, Archery and High Ropes. There are limited places available for the trip and places will be offered on a first come first served basis. To secure a place please make payments using the schools internet payment facility and return the permission slip to the Finance post box at Reception. The cost of the trip will be £199 with a non-refundable deposit of £50 due by Friday 4th November 2016. The cost of the trip includes all the activities, transport, food and insurance. They will only need a small amount of spending money. Other deposits will need to be made throughout the year.

In order for the trip to run successfully it requires the co-operation of the pupils and continued poor behaviour in school could result in your child being removed from the trip.

If you would like to attend the trip but think you may need financial aid please do not hesitate to contact Mrs Jennings. If your child is unable to attend either trip an in-school programme will be in place for your child to attend, details of this will be made available nearer the time.

If you have any questions or concerns please do not hesitate to contact me either via telephone or email at donovank@kls.herts.sch.uk
