

THE PERFORMING ARTS SUBJECT AREA

Kings Langley School is seeking to appoint an enthusiastic and experienced teacher to lead the subject area of performing arts which is part of our Arts Learning Area. This learning area consists of the subject areas of Art, Music and Drama.

Teaching and learning in the Arts at Kings Langley School is well established and highly successful. Each of the subject areas within the Learning Area are fully staffed with specialist staff, and have a long tradition of high levels of student attainment. The impact of the Arts on the school is strong, with very high levels of parental support.

The arts learning area is equipped with a full range of high quality resources to draw from and state of the art clever-touch fully interactive whiteboards. The performing arts area consists of two specialist well equipped rooms – a dance studio and a drama studio with access to classroom facilities when required.

The Subject Area

Performing Arts at Kings Langley is an active and popular department within the school and offers courses in Key Stages 3, 4 and 5. We are particularly proud of our very good record of results and our high levels of extracurricular involvement and participation in community events. The thriving subject area consists of 2 full time specialist teachers.
