

## Example Y7 Timetable

The school timetable is split into two weeks; week 1 and week 2. The lessons on your timetable may be different in week 1 than they are in week 2, so it is important to check your timetable and make sure you know what week of study it is. You can check this on the front of the school website.

Week 1 or 2 is indicated on the left hand side next to the day; Mon1, Tue2 and so on. Numbers 1, 2, 3, 4 and 5 at the top are the periods of study.
