

Year 10 2015 – 2016

AQA GCSE Core Biology

Keeping healthy	B1.1 Diet and exercise B1.3 Infectious diseases September B1.5 Immunity and immunisation PT10B1	B1.2 Diet and health B1.4 Antibiotics and painkillers
	Keeping healthy assessment	
Nerves, Hormones & Drugs	B1.6 The nervous system B1.8 Menstrual Cycle B1.10 Controlling plant growth B1.11 Drugs and you	B1.7 Hormones and control of the body B1.9 Hormones & fertility PT10B2 B1.12 Testing new drugs
	Nerves, Hormones & Drugs assessment	
Adaptations	B1.13 Animal adaptations B1.15 Extreme adaptations B1.17 Changes in distribution	B1.14 Plant adaptations B1.16 Competition for resources PT10B3 B1.18 Indicating pollution PT10B4
	Adaptations & interdependence assessment	
Energy cycles	B1.19 Pyramids of biomass B1.21 Recycling in nature PT10B5	B1.20 Energy flow in food chains B1.22 The carbon cycle PT10B6
	Energy cycles assessment	
Variations	B1.23 Variation B1.25 Cloning B1.27 GM crops PT10B7	B1.24 Reproduction B1.26 Genetic engineering B1.28 Concerns about GM crops
	Variation & Cloning assessment	
Evolution	B1.29 Classification B1.31 Evolution in action PT10B8	B1.30 Surviving change B1.32 Evolutionary theory
	Evolution assessment
