

19th October 2016

Dear Key Stage 4 Parents/ Carers

Re: Revision strategies Evening

On Wednesday 9th November, we are providing an evening on “How to help your child with revision”. This will demonstrate activities that could be used to revise and the ways in which they can supported by parents or other adults. With the changes to the GCSEs, the greater focus on examinations and a reduction in coursework marks, it is even more important that students learn how to revise in the best possible way for them. As teachers and parents, it is important we support and work on these methods with our children, if they are to achieve their full potential.

The evening will begin at 7pm and lasts approximately one hour. It is designed for adults and students to attend together, so that the ideas and methodology are shared and understood by both parties.

We look forward to seeing you all at this event and for your continued support.

Yours sincerely,

Mrs Ruth Jennings

Deputy Headteacher
