Dear Parent / Carer,

Re: 'Post 18 Information Evening' - Thursday 13th October 2016 – 7 – 8.30pm

We are writing to invite you to the above event in order for us to share important information with you about the many and varied opportunities currently available to our young people.

As well as students wishing to pursue a degree course at University, there is an increase in the number of students wanting to understand other routes of study or indeed consider opportunities for worthwhile volunteering projects.

It is our intention to help students and their parents/carers to understand all pathways in order that they make well informed choices and to continue to support their future career planning. We are confident that this will prove to be an informative and worthwhile event for everyone involved and will hopefully highlight what the various outcomes and qualifications are likely to be.

We aim to start the evening with each organisation delivering a brief outline of who and what they are. Following these introductions you will have time to visit the organisations at their stand for any further information you may require.

Further details will be issued nearer the time giving information about the organisations who will be attending.

In the meantime if you would like any further information, please do not hesitate to contact me or a member of the 6th Form team.

Many thanks and we look forward to seeing you.

Yours faithfully,

Mrs Jan Wright
