

SPRING TERM 2017 EXTRA CURRICULAR PROGRAMME

To All Parents and Students

Attached to this letter you will find an overview of the extra curricular programme that we will be running this new school term and as you will see the vast majority of these activities are run by teaching staff.

This Terms programme will run for 10 weeks from w/c 16th January until w/e 31st March 2017. Please note some of the FREE clubs will start straight away.

Many of these activities were run during the Autumn term however students are required to re-register for the club if they wish to continue. For new students wishing to attend, all of these activities are designed to be fun and to help students gain new skills or to purely get involved in the wider life of the school.

In addition to the activities outlined in this letter the School also hosts a wide range of clubs run by the PE and Music departments as well as activities run within the Library and these run before, during and after school as well as Music. For information on these activities please see the department information that is posted on the school web site.

In order to run many of these activities, we make a small charge in order to cover the costs of running the activity and any materials involved. Please note that for the cookery club, students will be expected to supply some ingredients. The cost of the activity is noted on the attached list of courses. We would not want the cost of an activity to be the reason for any student not participating. If cost is a concern for your family, please contact the Student and Family Services team on 01923 271744

If you would like to know more about any of the activities that we are running please speak directly to the teacher running the class who will be able to give you more information.

If you would like to book onto any of the activities parents must complete and sign the attached booking form to confirm permission for students to attend and then return to Student and Family Services prior to the class commencing. Payment is to be made **online only** using the school internet payment facility. If you have any queries with regards to this programme please contact us on 01923 271744.

Rosemary Inskipp
Student and Family Services Manager
