Dear Parent/Guardian,

Re: Year 8 Activities Week: Monday 10<sup>th</sup> July – Friday 14<sup>th</sup> July 2017

For those students who are not going on the trip to Shropshire from Monday 10<sup>th</sup> July to Wednesday 12<sup>th</sup>, there is a programme at school in place as shown below. Please note that this is not an optional programme and attendance is compulsory.

Monday 10th	Tuesday 11th	Wednesday 12th	Thursday 13th	Friday 14th
Shropshire Trip			Work shadowing	Thorpe Park
STEM day	Real Game and other activities	Enterprise day		Volunteering activities

As part of our PSHE and careers programme, most students will complete the Real game on Tuesday. To help reinforce this programme, we would like them on Thursday to shadow a parent/carer or nominated close family member to allow them to experience a work environment under controlled conditions.

Experience of a working environment forms part of an integral part of Careers Education and Guidance (CEG) programme being delivered within PSHE at Kings Langley School. CEG is a statutory requirement now for all students from Year 8.

Work shadowing provides students with the chance to sample a real working environment and the majority of them will gain valuable skills and experience, even if it shows them what they 'don't want to do' when they leave school. We are keen that every student is given a placement that they feel comfortable with, hence shadowing a family member.

We would be grateful if you would complete and return the attached Work Placement Agreement form as soon as possible and pass the Employer information letter in to the relevant company contact.

Many thanks and we hope that you will support us with this initiative. Please do not hesitate to contact me on 01923 264504 if you would like any further information.

Yours faithfully

Dear Sir/ Madam

Information for Employer – Year 8 “Go to work” days  
**Thursday 13<sup>th</sup> July 2017**

As part of our activities week programme, a number of our students are being given the opportunity to go to the workplace with a parent/ carer or nominated close family member.

The purpose of this initiative is to provide students with the opportunity to sample a real working environment and to gain valuable skills and experience. Experience of a working environment forms an integral part of the Careers Education and Guidance (CEG) programme being delivered within PSHE at Kings Langley School. CEG is a statutory requirement for all students from Year 8 and experience of work forms an integral part of this programme and will hopefully have a positive impact on each child and their future.

I hope that you are able to support us in this initiative by allowing a student to access to your working environment. Please do not hesitate to contact me if you need any further information.

Yours faithfully
