Apex 360 takes great pride in delivering high quality experiences for those that attend their sessions.

They are delighted to be working in partnership with Kings Langley School to offer the Community Sports Leadership CSL2 award as part of the work experience week offered by the school.

This course will offer you the opportunity to learn new (transferable) skills regardless of the career path you decide to take and will provide you with evidence showing your qualities and abilities outside of the classroom. This will also be a great addition to your CV.

Each student participating in the weeklong course will receive a Learner Evidence Record (LER)
The LER is a template and guidance for everything needed to do to complete this Sports Leaders qualification.

The Apex tutors will guide you through the LER as you go through the course.

Apex 360 have excellent relationships with Kings Langley School and the Chipperfield Football, Tennis and Cricket clubs where you will be able to gain valuable volunteering experience as well as the potential of paid work with Apex in the future should you have the attributes they are looking for in a high-quality delivery.
