Events and Engagement

- **National Year of Reading** - the library has supported this national initiative with monthly newsletter articles, author spotlights, house competitions, themed displays, and a bumper World Book Day!
- **Reading Interventions** – a programme of small group reading interventions with low ability, reluctant and non-reader Y9 students. All saw an increase in their reading scores after the sessions, and 100% of participants said they enjoyed the lessons and learned something new. 93% said they found the lessons useful, and feel more confident about reading now.
- **Carnegie Medal** - this year's shadowing programme was our biggest and most engaged yet, and our shadowers were invited to attend the awards ceremony in London!

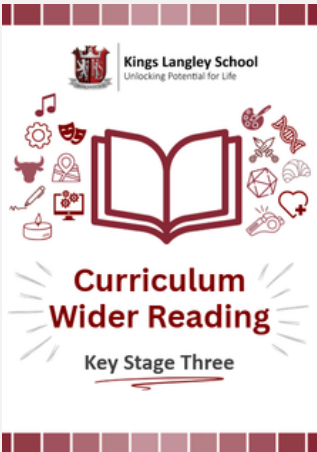

Support and Engagement

9826	454
Interactions with library displays and events	Students supported in lesson time
732	371
Study Pod bookings	Equipment loans
44	8
Active Library Leaders	Duke of Edinburgh volunteers

Other Projects and Events

- **Key Stage 3 Reading Lists** - curriculum-linked lists of books for Years 7 to 9 are now available for all subjects, and were launched with a staff briefing in the library to promote the collections.
- **St Lauras** – continuing our positive relationship with the care home, four groups of students visited the residents for reading and a chat.
- **Extended Project Qualification** - 11 students completed the EPQ this year, with three students achieving an A*, and 82% achieving A* - C
