

Who we work with:

HCC Services for Young People: www.servicesforyoungpeople.org

Services for Young People supply a dedicated Personal Advisor who works in school on Monday and Thursday each week in order to provide 1:1 Careers interview with all Year 10 students in the first instance. They also offer drop-in support for other students wishing to access relevant information. Services for Young People support other CEG (Careers Education & Guidance) events as well as sourcing work experience placements for Year 10 students this includes site risk assessments.

The Careers and Enterprise Company/Hertfordshire LEP (Local Enterprise Partnership) and HOP (Hertfordshire Opportunities Portal):

www.careersandenterprise.co.uk

We are signed to The Careers Enterprise Company – The Enterprise Network-programme This is a free provision managed locally by Hertfordshire Local Enterprise Partnership who supported us in achieving all Gatsby Benchmarks – a target set by the Department of Education in their Careers Strategy (Dec 2017). We have been matched with **Ruth George HR Consulting** who supports us in retaining the benchmarks.

We also use the Hertfordshire Opportunities Portal www.hopinto.co.uk and would encourage all students, parents, carers and teachers to use the portal in order to find live job or apprenticeship vacancies within Hertfordshire. They also provide information about the Hertfordshire job market as well as information and inspiration about a variety of careers.
