

## Year 9 November Exams Schedule – 9T

Activities in PE change each five weeks, with short practical assessments taking place at the end of this period. There is therefore no single examination in PE, with the 'Exam Grade' on reports based on average performance across each recent assessment.

Exam grades in Art are based on continual assessments of students' work across lessons and there is therefore no single Exam scheduled for these subjects.

Exam grades in Music will be based on the results from their written Baseline and End of Unit tests in each unit, and the practical performance assessment.

Exam grade in Computer Science will be based on-going assessments.
