Dear Parent/ Carer

SIMS Parent App

Now that your child has joined Kings Langley School, you will be able to be updated on information about your child's school life via access to the SIMS Parent App or dedicated website. This app will inform parents about daily credits and sanctions.

You can access the system from a smartphone, tablet or PC.

In the SIMS Parent app you will be able to see:

- Your child's timetable
- Your child's recognition (reward) data¹
- Your child's behaviour data¹
- Your contact details²
- Your child's dietary needs²
- Your child's transport to school details²
- If you have more than one child at school, you'll have access to information for all your children, from the same app.

¹ Notifications of the details of any recognition and behaviour incidents for your child will be available through the app at 5pm each day. Teachers will include comments in these notifications, although parents and students should recognise that this may not always be possible when teachers have after-school commitments. If you have any further questions please email the teacher concerned directly.

² You will be able to update us with changes to any of the personal information through the app.

There are other features on the app which may become available at a later date.
