Insight to BDO - The World's 5th Largest Accounting & Professional Services Firm

FAO of Careers, Y11, 12 & 13 Students

Are you ready to explore a career with one of the worlds leading accountancy and business advisory firms? Curious to see what makes BDO stand out in the industry? Now's your chance!

We're excited to invite you to an exclusive Insight Event with BDO on Thursday, 10th October 2024, from 5pm to 6:30pm.

This is a unique opportunity to gain behind-the-scenes access to a world-class firm and learn about their diverse career paths, cutting-edge projects, and commitment to supporting young talent.

What's in Store?

- Hear directly from BDO professionals about their experiences and career journeys.
- Learn about BDO's renowned school-leaver programs, apprenticeships, work experience and graduate roles.
- Explore opportunities in audit, tax, advisory, and more!

Why BDO?

BDO is more than just a leading accountancy firm—it's a place where ambitious young professionals thrive. With a strong reputation for delivering high-quality services and creating an inclusive, forward-thinking culture, BDO provides an ideal environment for young talent to develop and succeed. This event will offer a unique insight into how you can be a part of shaping the future of business!

Why Attend?

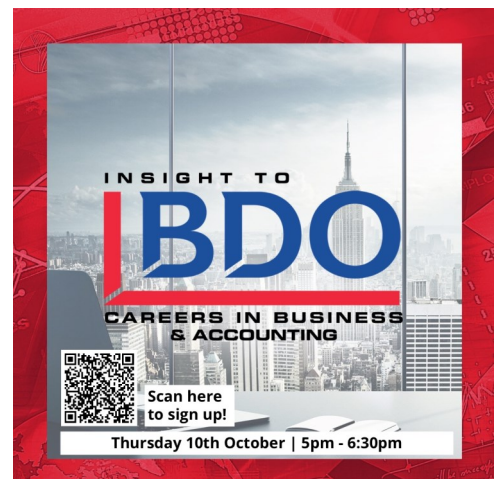

- Discover pathways into a career in accounting and professional services.
- Gain valuable insights into the skills and attributes BDO looks for in future talent.
- Network with professionals and get your questions answered directly by BDO's team.
- Apply to in-person events BDO will be hosting across the UK as well as their work experience schemes.

Don't Miss Out!

This event could be your first step towards an exciting and rewarding career.

HERTFORDSHIRE AND WEST ESSEX HEALTH AND CARE ACADEMY

Find out about local careers
in health & care

academy.healthierfuture.org.uk

Upcoming events that the academy is hosting, for students interested in a health, social care and science careers.

Healthcare Careers in Focus

The East of England Health & Care Academies are teaming up for the next academic year to provide a series of live webinar sessions for College and Sixth Form students studying healthcare related courses.

This free virtual programme will explore careers in healthcare, masterclasses in skills, routes and pathways into NHS and Social Care roles, university admissions advice, apprenticeships and direct job role entry opportunities in the East of England.

The sessions will be led by healthcare professionals every Wednesday between 3.30pm and 4.30pm during term time and will offer a practical case study or role related activity to get involved in along with information about the career and the pathways.

There are two options for registering for this programme, class registration and individual student registration. The details for this can be found in the information booklet.

Below is a link to an information booklet about the programme along with instructions on how to register.

Health and Care Academy and St Johns Ambulance Cadetship

The NHS Cadets programme is free programme for students aged 14-18 years.

During the 26 week programme the Cadets (students) will explore 7 modules, consisting of various topics. These topics will enable the Cadets to learn more about the NHS, healthcare and the 350+ clinical and non-clinical roles as well as empower the Cadets to sharpen and work on skills that they can use in school and in their future volunteering and career roles.

For those cadets that participate and finish the programme will receive a NHS Cadets T-shirt, pin and certificate.

To register please use the correct age group link below...

Females in STEM Careers Event

with Amazon

Tuesday, 8th October, 5pm - 6:30pm

FAO of Careers, Y11, 12 & 13 Students

We have an incredible virtual careers insight event opportunity specifically for female students in Years 11, 12 and 13 passionate about STEM subjects with a company you might just be familiar with—Amazon.

Originally starting out as an online book store, Amazon has grown into a global giant, leading the way in e-commerce, cloud computing, digital streaming, AI, and more.

Amazon offer a range of outstanding apprenticeship opportunities from across the many areas of the organisation for students looking to kickstart their professional journey right after Year 13.

Event Details:

- Date: Tuesday, 8th October
- Time: 5:00pm - 6:30pm
- Format: Virtual (Zoom)

During this Women in STEM webinar, you'll hear about the many exciting career paths in digital, technology and engineering roles at Amazon. It's a fantastic chance to learn how you can grow with a company that operates at the forefront of multiple industries across the globe.

If you're interested in data, business analysis, technology, or engineering, this event is just for you!
