The screenshot shows the EDF website's 'Apprenticeships' page. At the top, there is a navigation bar with links for 'For home', 'Small business', 'Large business', 'Wholesale Market Services', and 'About Us'. Below this is the EDF logo and a secondary navigation bar with links for 'How we generate electricity', 'Careers', 'Sustainability', 'Hinckley Point C', 'Sizewell C', 'Media centre', 'Financial reports', and 'Governance'. The main content area features a large heading 'Apprenticeships' and a portrait of a young man. The text below the heading describes the benefits of EDF's apprenticeship programs, including the chance to contribute to a sustainable energy future and shape one's career path. A quote from Lucas Smith, a Business Apprentice, is featured in a callout box, highlighting the rewarding career opportunities across wind, nuclear, and solar generation. At the bottom of the screenshot, there is a section titled 'Our energy sector Apprenticeships' with three cards for Business, Business (Sizewell C), and Chemistry.

## Apprenticeships

At EDF, success is personal, and we're here to support your journey. If you're passionate about tackling climate change, our Apprenticeship programmes offer an exciting opportunity to build a rewarding career while contributing to a more sustainable energy future.

With a variety of impactful programmes available, you'll have the chance to shape your career path and make a real difference.

Our Apprenticeship opportunities will open for applications in December 2024.

The benefit of working for an organisation as large as EDF, is that there are so many rewarding career opportunities across wind, nuclear and solar generation.

We are inviting able Year 9 and Year 10 students from Hertfordshire, Norfolk, Bexley, Bromley, Newham, Waltham Forest, Barnet, Lewisham and Greenwich to take part in Caius 9&10, one of our online after school programmes for young people attending state schools in our link areas.

Please note that students who took part when they were in year 9 last year **should not** re-apply, as this is the same programme.

### **Caius 9&10 Programme**

*Application deadline: Midday on Friday 21 March 2025*

The program will consist of a series of **online** after-school sessions. The students will receive both guidance and ideas on how to explore subject interests, and an introduction to studying at University. Students will also have the chance to talk to current Cambridge students and attend an online lecture.

Session 1, Wed 23 April 2025, 4:30-5:30pm:	Introduction to studying at university and Oxbridge
Session 2, Wed 7 May 2025, 4:30-5:30pm:	Exploring subject interests
Session 3, W/C 19 May 2025, 5:00-6:00pm:	Taster lectures (one STEM lecture, one humanities)
Session 4, Wed 11 June 2025, 4:30-5:30:	Student Life Q&A (life at university, clubs, societies)
Session 5, Wed 18 June 2025, 4:30-5:30:	Session chosen by students

Please ask **students** to register their interest by completing this short survey form. Please note, this form requires a digital signature from a parent/guardian/carer (this can be done on a touchscreen device or with mouse on a desktop computer).

[https://cambridge.eu.qualtrics.com/jfe/form/SV\\_9NalzVdnydkPJrw](https://cambridge.eu.qualtrics.com/jfe/form/SV_9NalzVdnydkPJrw)

The deadline for signing up is midday on **Friday 21 March 2025** and students will be notified by **Wednesday 26 March 2025** whether they have been successful in gaining a place on the programme. We welcome applications from all students and we will prioritise applications from high-achieving students with a widening participation background (e.g. Free School Meals, living in care etc).

## Career Tasters This Spring

We're excited to offer your students a great opportunity to explore their future careers this spring! With 15 different industries to choose from, our weekend programmes are designed to provide students with the perfect introduction to a potential career pathway.

Available in person in London or online, our programmes enable students to connect with industry professionals, participate in hands-on simulations and gain a meaningful glimpse into the world of work.

[VIEW PROGRAMMES](#)

I just wanted to drop you a quick email to let you know that we have all our [sessions](#) available this term, including [subject-specific ones](#). If you'd like to book any in, please do get in touch.

Given the time of year, I'd recommend a talk on student finance and managing money for your year 13 students. For your year 12 students, our sessions on the UCAS process and choosing a course and university would be helpful as they start to plan their next steps.

### **Study in the North Webinar:**

We are also collaborating on a webinar with staff and students from the Universities of Lancaster, Sunderland and Newcastle. The webinar is designed for students who are in the early stages of their university research and are considering relocating for their university study.

The session will introduce the North to those who are less familiar with the region, followed by a quick insight into the respective universities. Most valuably, there will be a Q&A session with current student ambassadors from each of the institutions, where attendees will be encouraged to ask any questions they have about studying in the North and making informed decisions about choosing where to study.

### **Study in the North: Webinar and Live Q&A**

Join us as the Universities of Lancaster, Sheffield, Newcastle and Sunderland talk through the benefits and opportunities that come from studying in the North of England. You can also ask your questions to a selection of current students!

**When:** Monday 10<sup>th</sup> February 2025

**Time:** 17:30-18:30

**Location:** Online

To sign up for the event, please register here <https://forms.office.com/e/vQdcd1agJX> or scan the QR code on the flyer and we will send out the joining link in due course.
