[Don't Miss This Exclusive Warner Bros. Discovery Webinar!](#)

Warner Bros. Discovery's Early Talent Team is hosting a virtual event - Championing Apprenticeships - on **Tuesday 11th February at 6:00PM GMT** in support of National Apprenticeship Week and we would love to invite you to attend!

[REGISTER YOUR INTEREST](#)

What to Expect:

- **Hear from our current apprentices** as they share their personal journeys and experiences.
- **Discover the exciting projects they've worked on** and how these have equipped them with invaluable #SkillsforLife.
- **Celebrate their achievements** and gain insight into the impact of our apprenticeship programme.
- **Learn more about our programme** and how it's designed to help apprentices thrive.

Don't miss out and learn how an apprenticeship can make an impact on what's next for you!

[REGISTER YOUR INTEREST](#)

This event can be attended by students, parents, teachers and careers leaders, so make sure to sign up and share this with anyone you think could be interested!

INVESTIN THE ULTIMATE WORK EXPERIENCE

How much will I get paid?

A free student & parent event series on compensation in careers

✓

Let's discuss pay...

Talking about pay can feel like a taboo topic and yet, “how much will I earn?” is one of the most common questions students ask the professionals on our programmes. With rising costs of living and an ever-evolving but often unpredictable job market, compensation and job security have become a top priority for young people today.

Dunelm apprenticeships are OPEN for applications!

Starting your career with Dunelm opens a world of possibilities!

Discover a wide range of exciting apprenticeship **vacancies**, now open for applications.

With roles available across the business in **Retail, Supply Chain & Logistics, Buying & Merchandising, Insight & Analytics (coming next week), Digital Marketing** and **Commercial Data Analysis**, Dunelm is inviting students, teachers & careers advisers, parents & carers and anyone else interested in an apprenticeship to hear more about the exciting career opportunities available.

Explore Dunelm's apprenticeship vacancies on their Early Careers page using the button below!

[VIEW THE VACANCIES](#)

[**Watch the webinar for tips**](#)

Watch our recent webinar to meet the Early Careers team at Dunelm and learn more about their exciting apprenticeship opportunities. You'll find out about Dunelm's early careers programmes and pick up some hints and tips for your apprenticeship application.

[WATCH NOW](#)

[**Meet The Employer**](#)

Explore Dunelm's profile on the new Meet the Employer platform to explore the skills they're looking for in their apprentices, their application processes, the help and support available to apprentices, behind-the-scenes apprentice experiences, and much more!

[FIND OUT MORE NOW](#)

We're really excited to be sharing with you our **DHL Supply Chain - Parents, Guardians, Teachers and Carers Info Session**.

If you're interested in exploring apprenticeships, please share with parents/guardians/teachers or carers, so that they can all find out about the amazing world of apprenticeship - students can also come along!

We welcome you to join us as part of our National Apprenticeship Week celebrations to attend our Apprenticeship Information Session on **Monday 10th Feb at 6pm**.

The panel on the day will be:

- DHL Supply Chain Apprentices
- Head of Next Generation Talent - Laura Malcolm
- DHL Supply Chain Apprentice Team

The panel will give an overview of how apprenticeships play an integral part in future proofing the future of logistics by building skills for the future. There will be an overview of apprenticeships and bust the myths around apprenticeships. We will discuss our current live roles and the application process. There will also be the opportunity to hear from a group of our current or alumni apprentices and learn about their experiences as an apprentice.

To sign up, follow the Event Brite link and book your FREE ticket. We will then be in touch via email with the link to the webinar.

[School of Modern Languages Film Webinars](#)

We are delighted to invite you to our annual **School of Modern Languages Film Webinar Series**. All of the films (with the exception of Tsirk) are on the A-level curriculum, and these will be analysed and discussed with our friendly and knowledgeable academics.

Anyone is welcome to join, however due to the films' classifications you must be at least 15 years of age.

You do not need to study languages to attend; no prior knowledge is assumed, and the discussion and analysis will be in English.

We are including even more discussion and analysis in this year's webinars based on student feedback from last year's series. We hope you will join us for an exciting and engaging series of beneficial events.

Please register for these webinars on Zoom by pressing on the hyperlinks below. You will receive the joining link once you have registered. The dates and details are as follows:

[3rd February 2025 \(Spanish\)](#)

[4th February \(French\)](#)

[5th February \(German\)](#)

[6th February \(Russian\)](#)

[10th February \(Italian\)](#)

In this newsletter, you can find out more about:

- **Applications for our Summer Schools are now open**
- **Creative Industries Unlocked – Applications are OPEN for Y12 & First-Year College Students**
- **School of Modern Languages Film Webinars**
- **Changes to Application Requirements for Languages Degrees at Bristol**
- **Other Opportunities - Sutton Trust Summer School Programmes**
- **Advancing Access Webinars and Newsletters**

Are you interested in a career in Audit, Tax or Technology?

Join us for a webinar with EY, on the 4 February 2025 from 6:30-7:15pm where you can speak to current apprentices and get specialist guidance on how to apply for their apprenticeship programmes.

EY also have several work experience opportunities during the summer and they will be discussing how you can apply!

Discover Degree Apprenticeships in Banking, Finance & Technology with UBS
Monday, 3rd February, 5pm - 6pm
Meet the Company with Over \$5 Trillion in Assets Under Management

We're excited to invite Year 12 and 13 students to an exclusive **virtual event** with one of the world's leading financial institutions—**UBS**. On **Monday, 3rd February**, from **5pm - 6pm**, join us **live** for an event that could set the foundation for your future career in **Banking and Finance**.

About UBS

UBS is a global leader in wealth management, investment banking, and asset management, serving clients in over **50 countries**. As one of the most established financial institutions in the world, UBS plays a pivotal role in helping individuals, institutions, and corporations grow and protect their wealth. In 2023, UBS had a revenue of **US\$39.36 billion** and managed assets totalling **US\$5.71 trillion**, further solidifying its position as a powerhouse in the finance industry.

Event Details

Event Title: Insight to UBS: Banking & Finance

Date: Monday, 3rd February

Time: 5:00pm - 6:00pm

Location: Zoom (link provided upon registration)

Why Attend?

- **Discover UBS's Degree Apprenticeships:** Learn about the range of apprenticeship programs available in **Asset Management, Group Operations and Technology, Global Wealth Management, and Investment Banking**—offering an incredible pathway to start your career while continuing your education.
- **Exclusive Insights:** Gain an understanding of what UBS looks for in future talent and how you can stand out in your applications.
- **Hear from the Experts:** Meet senior professionals from various UBS departments who will share their experiences, career journeys, and advice on succeeding in the banking and finance industry.

This event is a must-attend for any student eager to explore careers in global finance. You'll gain valuable insights that will enhance your apprenticeship applications, future job searches, and your understanding of what it takes to thrive in the competitive world of banking.

Don't miss this chance!

Events with companies of this magnitude don't come around often, so make sure to **secure your place ASAP by registering through the link below**.

Register here: <https://www.surveymonkey.com/r/UBS-Virtual>

We look forward to seeing you there and helping you take the first step towards a thriving and lucrative career in **Banking and Finance!**

The Air League has announced the opening of its 2025 Aviation Scholarship Programme.

The Scholarships are designed to offer those with little to no aviation experience an opportunity to gain skills and build an understanding of the career pathways available within the aviation industry. Applications opened on Monday the 27th of January and will close on Sunday the 30th of March.

The Air League, founded in 1909, is the UK's largest provider of aviation Scholarships. Over the past decade, Scholarships and bursaries worth over £2.5 million have been allocated to young people across the UK. Last year, the Air League was proud to award a total of 90 Scholarships; including 56 Flying Scholarships, 3 Electric Flying Scholarships and 31 Gliding Scholarships.

Gliding Scholarships are open to students aged 14+ and Flying Scholarships are open to students aged 16+.

The £500 gliding bursary can be used in the Skills section of a Bronze Duke of Edinburgh award.

The Scholarships are ideal for any student wishing to pursue a career as a pilot, cabin crew, engineer, air traffic controller, dispatcher, or any other aviation or aerospace related role.

AVAILABLE SCHOLARSHIPS

- 3-hour flying
- 5-hour flying
- 12-hour flying
- Full Private Pilots' Licence (PPL) worth over £12,000
- £500 gliding bursaries
- Self Launching Motor Glider (SLMG) conversion course
- Two-week residential Gliding to Solo course for applicants with no flying experience
- 5 hour electric flying training on a Pipistrel Velis Electro electric plane

Courses can be completed at any of the Air League's approved training providers across the UK. Full board accommodation will be provided to recipients over 18 years of age who live outside a commutable distance of our training providers.

LINKS

To apply for a Scholarship, students must be a member of the Air League which costs £30 per year. This grants them access to 100+ Scholarship opportunities, volunteering opportunities, and events such as networking receptions, dinners and industry tours and visits: <https://airleague.co.uk/individual-membership>

Flying Scholarships: <https://airleague.co.uk/flying-scholarships>

Flying Scholarship Eligibility Criteria: <https://airleague.co.uk/flying-scholarship-application-criteria>

Gliding Scholarships: <https://airleague.co.uk/gliding-scholarships>

Gliding Scholarship Eligibility Criteria: <https://airleague.co.uk/gliding-scholarship-application-criteria>

Electric Flying Scholarships: <https://airleague.co.uk/our-programmes/electricflyingscholarships>

WEBINAR

We will be running a Webinar at 5pm on Wednesday 19th February, which will focus on the selection process, application tips and the format of each Scholarship. The Webinar will also be an opportunity for individuals interested in participating to ask any questions and gather further information prior to applying.

Research STEM

STEMPOINT
"Inspiring young people about STEM"

Research STEM

What is Research STEM?

Research placements for year 12 students within the East of England and London.

We offer students a unique opportunity to carry out hands on research during the summer holidays in a working environment under the supervision of experts who can share their knowledge, skills and passion for STEM.

We will match you with a placement provider as close to your home location as possible and with your chosen subjects in mind.

Exciting placements with fantastic organisations offered in Science, Technology, Engineering, Mathematics and Social Science.

There is no cost to take part and travel expenses will be reimbursed. Eligibility will apply

What will I get out of doing it?

- Increased confidence in the workplace and chosen subject.
- Working alongside the experts to gain as much knowledge as possible
- Write your own scientific research report with supervisor guidance
- Hands on experience
- Further opportunities to apply for once your placement is finished

Why Choose Us?

 <p>40+ Years Experience We are fully committed to inspiring young people about STEM</p>	 <p>Industry Expert We are committed to providing the best experience for both students and supervisors.</p>	 <p>Support We are committed to providing continuous support throughout the placement and beyond.</p>
