

24th October 2025

Year 9 Exam Period: 24th November – 5th December 2025

Dear Year 9 Parents and Carers

As shared in the school calendar and at the Welcome to Year 9 evening last week, this year's Year 9 exam period will take place from Monday 24th November to Friday 5th December 2025. Please find attached an overview document providing details, for each subject, of the content being assessed, the format of the exam(s) and suggested revision strategies. An exam timetable will be shared after half-term. All exams will take place in classrooms during lesson times, with regular timetabled lessons occurring as normal around the exams. Students should make sure that they are fully prepared for their exams with all the necessary equipment as given in the school equipment list. Students recognised by the Learning Support Department as requiring additional time or support will have this allocated to them in class. Parents of students to whom this applies will be notified by the Learning Support Department prior to these examinations.

The aim of the exams is to enable the monitoring of learning and progress so that teaching can be adapted in response to how students have performed. Students' performance will be discussed with them in lessons following their exams and will be reported formally to parents in the school report to be published when we return to school in January. To be able to perform at their best in these exams, students will need to engage with revision in line with the advice given to them in lessons (also summarised in the attached exam overview sheet). Teachers will continue to discuss revision strategies in class and offer guidance on how students can best prepare for their exams.

Organisation and preparation can be helpful in reducing possible anxieties that students may have, and research indicates that doing small amounts of regular revision in the run-up to the exam period is more beneficial than large amounts of work the night before each exam.

If you have any questions regarding individual subjects or exams, please contact your child's subject teacher directly through the school admin email address: admin@kls.herts.sch.uk.

Kind regards

Mrs L Sudbery
Deputy Headteacher

Miss J Watson
Examinations Officer
