

3rd April 2025

Year 12 End-Of-Year Examinations: 22nd April 2025 – 2nd May 2025

Dear Parents and Students

As shared in the school calendar, this year's Year 12 end-of-year examinations will take place when we return after the Easter holiday, from Tuesday 22nd April to Friday 2nd May 2025.

Information about the exams and revision guidance will already have been shared with students by their subject teachers, but please find attached the exam timetable and an overview document providing details, for each subject, of the content being assessed, the format of the exam(s) and suggested revision strategies.

The exams will take place in the Sixth Form building, with regular timetabled lessons occurring as normal around the exams. Individual exam access arrangements will be organised for students who have been assessed as needing these, including the provision of extra time for those eligible.

These exams will give students the opportunity to test themselves on the knowledge and skills they have learnt up to this point under exam conditions, providing students, parents and teachers with an indication of the A-level grades they are currently working at. The results will also inform teaching and learning, and enable areas of the course to be identified in which students need to improve as they progress into Year 13. Students' performance will be discussed with them in lessons following their exams and will be reported formally to parents in the school report that is due to be published at the end of the year. To be able to perform at their best in the exams, students will need to engage with revision in line with the advice given to them in lessons by their class teachers and shared on the attached exam overview sheet.

If you have any questions regarding individual subjects or exams, please contact your child's subject teachers directly through the school admin email address admin@kls.herts.sch.uk.

Kind regards

Mrs L Sudbery
Deputy Headteacher

Miss J Watson
Exams Officer
